NEW! Gripple Express XP

The Express No.1 and No.2 offers an instant locking system to make adjustment even easier.

- The Express No.1 is ideal for signage, shop fitting, lighting and other lightweight fixtures
- The Express No.2 is ideal for mechanical and electrical applications
- Up to 6 times faster to install than traditional methods
- Keyless - no tool required for adjustment
- Ergonomic buttons allow rapid adjustment
- Discreet and aesthetic design

GRIPPLE ANGEL Y-FIT The Revolutionary Wire Hanger System

Lighting Solutions

Designed for architectural lighting suspensions, signage, acoustic baffles and installations where aesthetics are important.

- Simple one handed operation for easy adjustment
- Contemporary design to complement the overall suspension
- Extensive range of end fixings allowing installation in most locations
- Variety of feet fixings to enable attachment to different fixing points
- Uses 1.5 mm wire rope to make the suspension as discreet as possible
